Shugborough Residential

This week, our first Rowley Park residential has taken place. Year 6 children left of Wednesday and returned today. The children have had a fantastic time and have experienced a range of activities, some for the very first time. During our time there, the children have tried their hand at orienteering, scaled the heights of the climbing wall and even had a go at canoeing—a firm favourite with Mr Smith!

It has been a great opportunity for Year 6 to also develop their independence as they took on chores; some of them can now put on a duvet in seconds! The children's confidence has certainly grown as the week has continued.

I'd also like to thank all the staff who gave up their evenings to ensure that the trip could take place; particularly Mrs Lipton, Mr Smith and Miss Stubbs, who were there for the full 3 days.

Harvest

This week Mrs Tewley led our Harvest Assembly with the children and throughout the week pupils have been bringing in Harvest donations. We'd like to say a big thank you to everyone who contributed. A representation of Key Stage 2 children will be donating the food items to Rising Brook food bank next week.
