**New Year, New You!**

Happy New Year to all our families and we hope that you had a peaceful Christmas and New Year.

For the next 6 weeks, we are please to offer families the opportunity to work with Time4sport. The company works across Staffordshire supporting families with healthy food choices and ways to get active. Every Thursday, they will work with children from Reception to Year 5, running sessions to get the child up and enjoying physical games and activities and get them moving. We are also pleased to announce that they are offering lifestyle sessions to parents. During these sessions, the experts will share tips and advice on a number of healthy life style issues from understanding food labelling, how to make healthier food choices and ideas and tips to improve families health. These parent sessions will also take place on Thursdays from 9:00am. They are open to all RPA parents and there is no cost involved. We know how important it is to be healthy role models for our children and that they will follow our lead and we hope to see you at next weeks session.
