Friday 10th November

Parents' Evening.

Thank you to all parents who attended our Parent's Evening on Wednesday. Many of you took the opportunity to sample some food which will be on offer in January from our new catering company. We had rave reviews with particular favourites being sweet potato pizza, lasagne and the chocolate brownies. All food was made from scratch with a few hidden (healthy) ingredients; several children were surprised to discover the beetroot disguised in their brownie!

Also can we thank everyone who has already returned their parent questionnaire which went out last Friday. Can you please return any further responses to the office. If you'd like to share your views but need another copy, please see the office who will be able to provide you with one.

Parent Voice

For any parents who are not aware, our parent Governors Mrs Meecham and Mrs Rix are holding a parent voice on Friday 15th December (straight after our end of term Zone assembly). It's an opportunity for the parents and school to work together and share ideas. As part of the meeting, our new catering company will be attending to answer any questions you may have and share a sample or two.

Don't let the rain get you down!

This week as part of their Challenge Pack Far, far away, year 1 visited Ash End Farm to discover some of the stars of our traditional tales. The Billy Goats Gruff and the Three Little Pigs were all there for the children to meet and listen to some great stories as well as find out more about the animals. Despite the weather, the children had a fantastic day and can't wait to get started on their challenge outcome; Can we produce a soundtrack for a traditional tale?

Spotacular

Just a quick reminder that on Friday 17th November it is Children in Need across the country. In order to raise funds at RPA, for a donation of £1, children and staff will be going 'spotacular' wearing outfits inspired by spots!

Next week is also Anti-bullying week which this year has the theme, 'All different, all equal'. During the week, children will be exploring this theme, looking at difference and equality in schools and celebrating their differences.
