

## NICER Curriculum: Home Learning Challenges

Year Group: **5**

Challenge Pack: ***Pillars and Drains***

Challenge: ***How can we help the community?***

Outcome: ***Community support***

How Hungry are you for a Home Learning Challenge? How many Challenge dishes will you choose?

Choose which Home Learning Challenges you would like to complete from the Menu of Dishes below.

How Hot do you like your Meal?! The hotter the dish you chose, the more challenging it will be! Yellow: Warm, Orange: Medium, Red: Hot

### Small Dish Challenges

You could chose to complete just 2 of these, or more, or chose 1 to start you off before moving on to a Large Plate Challenge!

From the news, map current events onto a world map. Then, create a wish list for what a better world would be like.

Create a map of the area of Stafford that locates where there are different community resources that can help people.

Create a set of values that you feel make a good person. Use what you create to write your own Acrostic Poem

### Large Plate Challenges

You could chose to complete just 1 of these spending a number of weeks on this and building up your learning every time!

Create a Christmas shoe box to send to a child in a country where they are not as fortunate.

Write a list of what you have included, and a letter to the child that might receive it.

Identify an individual who has made a significant contribution to society and the world in the past. Create an information booklet that includes key dates, and achievements.

Undertake a piece of research that finds out what our community needs to help it be happier. Choose one idea that you think is interesting and create a presentation around how this could make Stafford better.
