

## NICER Curriculum: Home Learning Challenges

Year Group: **6**

Challenge: ***How can we run our own events promotion company?***

Challenge Pack: ***The Final Countdown***

Outcome: ***End of year events***

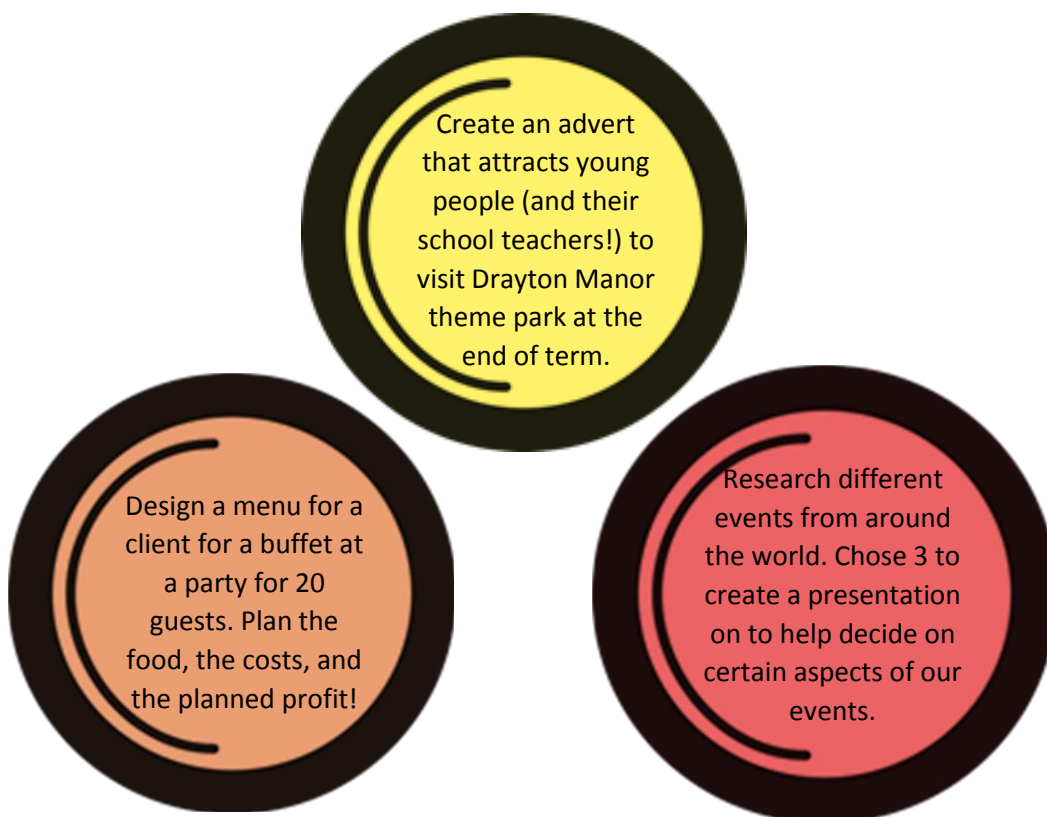

How Hungry are you for a Home Learning Challenge? How many Challenge dishes will you choose?

Choose which Home Learning Challenges you would like to complete from the Menu of Dishes below.

How Hot do you like your Meal?! The hotter the dish you chose, the more challenging it will be! Yellow: Warm, Orange: Medium, Red: Hot

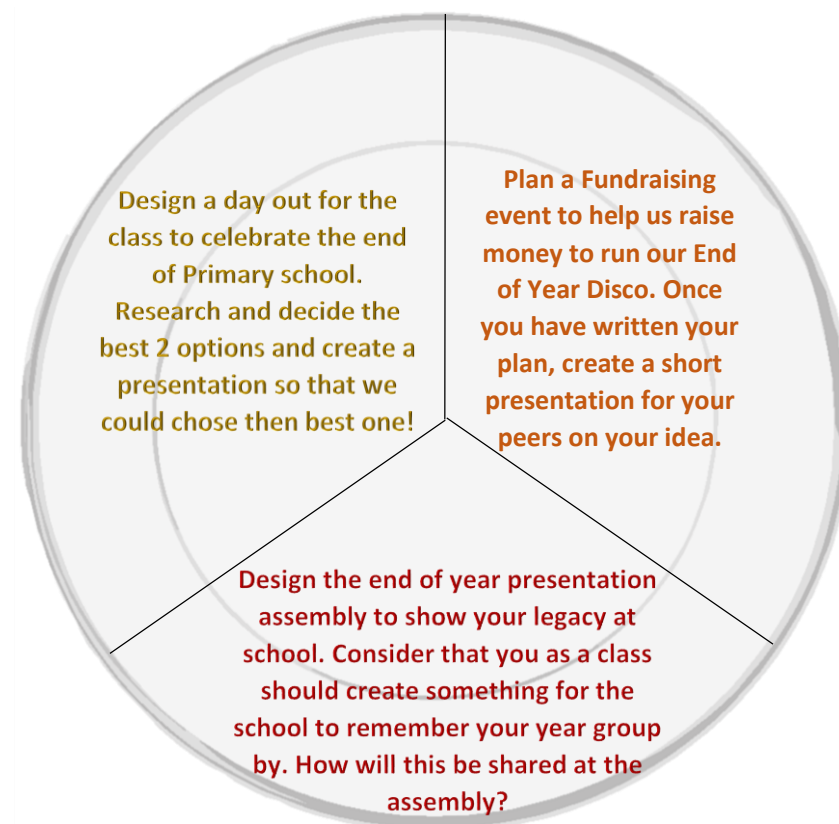

### Small Dish Challenges

You could chose to complete just 2 of these, or more, or chose 1 to start you off before moving on to a Large Plate Challenge!

### Large Plate Challenges

You could chose to complete just 1 of these spending a number of weeks on this and building up your learning every time!

<b>Name:</b>		<b>Class:</b>	
<b>Small Dishes</b>		<b>Large Plates</b>	
Drayton Manor have asked you to create a way of attracting other Year 6 classes in the local area to visit at the end of term, as we do. Create an advert that attracts young people to visit the theme park. What are the key highlights of the park? What would persuade children, and teachers, to want to take their Year 6 students there?		Design a day out for the class to celebrate the end of Primary school. This can't be to Drayton Manor, so you need to decide on a different location! Where should the class go? Research different options, and present 2 of them as options. Look at how we would travel there, and see if you can find out how much this would cost. What kind of activities would children be able to do there? Put all of your options in a presentation so that we could chose then best one!	
Design a menu for a client for a buffet at a party. There will be 20 guests. You will need to plan what food is on the menu, and then research how much this will cost for you to make, how much you will charge per head, and therefore how much profit you will make!		Plan a Fundraising event to help us raise money to run our End of Year Disco. You will need to plan what the enterprise activity would be to earn the funds. Make a plan of what you would need to do, make, set up etc to make this successful. How much money will you need to start up? What will you charge? Once you have written your plan, create a short presentation for your peers on your idea.	
Research different events that take place around the world, in different religions, or in different places. Chose 3 to create a presentation on to help us decide on certain aspects that we may want to focus on in our events – such as food, clothing, space, entertainment, rituals /traditions. Draw out the most important aspects and chose which ideas might influence our choices in planning our events.		Design the end of year presentation assembly to show your legacy at school. What should take place in this assembly? Who should be invited? What music should be played? Consider that you as a class should create something for the school to remember your year group by. What should this be? Create a design brief for it – it could be a display, a piece of artwork, sculpture, music, photographs – it's your choice! Plan how this would be unveiled at the assembly!	

Which dishes have I chosen?

What have I completed and created?

How have I found completing the Challenge Pack Homework?
